

Guidelines for Course Selection: Use the following guidelines as you review the course catalog and select courses.

- 1) **Graduation requirements:** Check graduation requirements and plan courses accordingly.
- 2) **Career plans:** Read the course descriptions and look for courses that prepare you for your career goals.
- 3) **Interests/time & commitment:** Look for courses that describe your own personal interests & consider the time you have to dedicate to studying.
- 4) **Teacher recommendations:** Review prerequisites and talk with your teachers about your potential choices.
- 5) **Counselor discussion:** Find time to talk with your counselor about your choices and your future plans.

**All courses will only be created if there are enough students for the class to make. If a class does not have enough student requests to be created, you will be placed in another class that meets the same graduation requirement and/or is on your alternate course choice list.*

Directions: The courses listed below are provided as a guide. Please make sure you read the course description and check the prerequisites to make sure you can sign up for the class. **Semester courses and courses with prerequisites are identified. Prerequisites are explained in the course book.**
